Re: January 1, 2010 Amendment to the Agent Agreement for Individual & Group Products

Dear [Agency Name] Contracting Officer:

We periodically review and update the terms of our agreement with those producers wishing to continue selling Asuris contracts in the marketplace. Because of recent changes in federal law, we are required to update our business associate agreement with you to ensure we meet the latest HIPAA requirements. Furthermore, we are updating various other provisions of the agreement to help us better achieve our business goals.

Therefore, effective January 1, 2010 we are making changes to the current Agent Agreement for Individual & Group Products that we have with all of our producers. As one of our contracted producers, we wanted to inform you of these changes, which are presented on the attached document, and which become part of our agreement with you.

We appreciate our continued relationship with you and your continued representation of Asuris. To accept the changes, no further action is required from you – you will continue to receive any commissions associated with your accounts under the terms of the new agreement. If you decide you no longer wish to serve as a producer for Asuris under these new terms, please provide us with notice within 30 days of the date of this letter of your desire to terminate the agreement. That notice can be mailed to: [Agent Broker Desk] [Agent Broker Desk Address] or emailed to us at [Agent Broker Email Address]. If you terminate the relationship, we will send a confirmation, and will of course pay you any final commissions owed to you through the end of the year.

Again, thank you for your representation of Asuris. We look forward to continuing to work with you in the year ahead.

Sincerely Yours,

A handwritten signature in black ink, appearing to read "JHensley", written in a cursive style.

Jonathan Hensley
President,
Asuris Northwest Health
