

Asuris ClaritySM | For Individuals

Q: What's an affordable health plan for students?

A: Asuris ClaritySM

After tuition, rent and books, you may not have money for health care. You're not someone's dependent. But you may not be financially independent yet. It's a tough place to be.

But what if you get sick or hurt? How would you pay your medical bills? You could end up in debt just getting well enough to go back to school.

Health coverage can protect your health and future. Finding some that doesn't cost a ton may seem like extra homework. But it isn't. Learn about Asuris Clarity—a plan that makes coverage and care affordable for students.

A health plan that's simple to choose and to use

Asuris Clarity is a series of plans that are innovative in their simplicity. They're easy to use and to understand.

First, you pick one of three available coverage levels:

- Clarity 50 (50% coverage)
- Clarity 70 (70% coverage)
- Clarity 80 (80% coverage)

Then you choose from the available deductible options to create the plan that works best for you.

Seeing a doctor is also easy. You don't need a primary care provider or referrals. And you can choose from almost 22,000 providers in our service area.

Making care affordable

Asuris Clarity's range of coverage levels and deductibles keeps rates reasonable. And because it can be priced just for young people (ages 0-24), the cost of coverage for students is even more affordable. With Asuris Clarity, you can also afford to get the care you need. Benefits include:

- Unlimited office visits covered at 100%* after the copay (before meeting the deductible)**
- Coverage of generic prescription drugs with a copay (before meeting the deductible)**
- Preventive care benefits**
- Vision benefits**
- Occupational injury benefit (limitations apply)
- A \$2 million lifetime maximum benefit
- The RegenceRx™ prescription drug discount program

Asuris Advantages provide added value

Asuris Clarity also includes health-smart and dollar-wise advantages that come with Asuris membership:

- Discounts on Jenny Craig® fitness programs
- Discounts on LASIK surgery
- Discounts on eyeglasses/contact lenses
- Discounts on hearing aids

The most important thing: You can afford to get coverage and care without breaking your budget.

And that lets you put your health back on top, where it belongs.

Ask your broker or agent for more information about Asuris Clarity. Or, go to www.asuris.com to shop and apply online.

**X-rays, lab services and other professional services are subject to the deductible and coinsurance.*

***Only on Clarity 70 and 80 plans.*
