

Asuris TruAdvantage™ (PPO) Information Meetings

Make smart choices for the years ahead

There are more options than ever before for your Medicare health care coverage. With all these choices available, you want to be sure that you're choosing the plan that will serve you best in the years to come. That's why Asuris offers free informational meetings for you to learn about your Medicare options and Asuris TruAdvantage plans.

We offer three Asuris TruAdvantage plans. All of these plan options combine your original Medicare benefits and more into a single plan—and two of them include Part D prescription drug coverage.

No matter which Asuris TruAdvantage plan you choose, you can be assured of having reasonable copays for office visits, an extensive provider network, worldwide coverage and more.

With the Asuris TruAdvantage + Rx Enhanced and Asuris TruAdvantage + Rx Classic plans, you can select the Medicare Advantage plan with Part D coverage that best suits your prescription drug needs and your budget.
