

Pre-Sale Disclosure List for Individual Plan Members

Asuris
Northwest Health
A Regence Affiliate

The following information is available upon request, as required by law.

- A summary of standard covered benefits on Asuris Northwest Health plans.
- Information about Asuris Northwest Health prescription drug benefits, if any, including a summary of covered prescription drug benefits, a copy of the current drug formulary, definitions of terms, and the policies regarding coverage of prescription drugs.
- A description of how consumers may be involved in decisions about benefits.
- A listing of exclusions, reductions, and limitations to covered benefits; any definition of medical necessity; and any coverage criteria on which they are based.
- A statement of carrier confidentiality policies.
- A statement of rates and any enrollee cost-sharing requirements is enclosed with this packet of materials.
- A clear explanation of the grievance process.
- Whether a Point of Service (POS) plan option is available to you, and how that plan operates. (Currently, Asuris Northwest Health does not offer an individual POS plan)
- A convenient means of obtaining participating provider listing and network restrictions.
